

Staverton Parish Council:

Allotment and Woolston Green Report

Allotments visited 25<sup>th</sup> April 2016.

- The gate, sign and notice board are in good order.
- The walkways are clear

Allotments:

1. Newly planted strawberries, beautiful
2. Shed under construction. Neat, new beds.
3. Very neat and productive as usual.
4. Gradual being tamed – newly marked out beds.
5. As before, immaculate.
6. Beautiful, extremely neat, newly dug and well prepared for the season ahead
7. See 6
8. See 6
9. New planting started
10. Good, digging started at back, weed suppressant mat at the front
11. New planting started.
12. Evidence work started at the back, front a mess with weed suppressant mats, in overgrown grass and bags of gravel amongst other things
13. ( 8m x 21m)
14. Front clear of path, but still huge heap covered in part in tarps, new digging behind
15. Some new planting, still 50% grass.
16. Newly dug beds. Neat
17. ditto – potatoes in
18. Lots of variety for this time of year – well used
19. Newly dug, potatoes in
20. Some new activity

Action needed:

Consider writing to plot 12, to tidy front of plot

Consider marking out plot 13, possible 4 x 21 metres, thereby leaving a 4m wide access to the plots at the back.
